Project Title	Finitum: Time-Limited Interested Groups
Area of the Project	Web Application
Date of Submission	01/01/2025

Description of Project:

Finitum is a web app for creating short-term interest-based groups. Unlike permanent groups, Finitum enables structured, time-bound discussions by automatically forming and dissolving groups after a set period.

Key Features:

- Smart Matching – Users join groups based on shared interests.
- Time-Limited Groups – Groups expire after a set duration.
- Real-Time Chat & Notifications – Keeps users engaged.
- Automated Management – No manual intervention needed.
- Scalable & Flexible – Ideal for study, gaming, networking, and more.
  Finitum ensures meaningful, clutter-free interactions, making it ideal for educational, professional, and social engagement.

Front End & Back End Tools	React, Node.js, Express.js, MongoDB
